

ANNUAL Invakrit

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

11-13 FEBRUARY 2026
NATIONAL FORENSIC SCIENCES UNIVERSITY, DELHI CAMPUS

About **NATIONAL FORENSIC SCIENCES UNIVERSITY**

The National Forensic Sciences University, an Institution of National Importance, Ministry of Home Affairs, Government of India was established by the Government of India Act, 2020 with the objective of fulfilling the acute shortage against the increasing demand for forensic experts in the country and around the world. The National Forensic Sciences University is the world's first and only University dedicated to the study of forensics and allied disciplines of engineering, technology, life sciences, behavioral science, clinical psychology, forensic psychology, law, pharmacy, cyber security, digital forensics, management, forensic accounting and its inter-disciplinary areas.

About **NATIONAL FORENSIC SCIENCES UNIVERSITY** **DELHI CAMPUS**

The Delhi Campus of the National Forensic Sciences University (NFSU), under the Ministry of Home Affairs, Government of India, is a leading centre for education and research in forensic, behavioral, and allied sciences. Strategically located in the national capital, it bridges academia and practice through collaborations with law enforcement and judicial institutions. With state-of-the-art facilities, expert faculty, and an emphasis on innovation, NFSU Delhi campus empowers students to explore the science behind crime and contribute to a safer, more just society.

About **THE EVENT**

ANVAKRIT

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

“The smallest detail is often the key to the biggest truth.”

Anvakrit is a premier national-level competition that brings the world of crime scene investigation to life. Designed to go beyond textbooks, it challenges participants to step into the shoes of forensic professionals and experience the thrill of uncovering truth through science and logic. The competition welcomes students from diverse academic fields including law, psychology, criminology, and technology, reflecting the multidisciplinary nature of real-world investigations.

What makes Anvakrit truly distinct is its ability to blend learning with experience. Participants reconstruct complex crime scenes, analyze evidence, and piece together narratives using both critical thinking and teamwork. It serves as a bridge between theory and practice, offering a platform where curiosity meets precision and every clue holds significance. Anvakrit embodies the spirit of scientific inquiry, encouraging participants to question, deduce, and discover as they navigate the intricate layers of an investigation.

About **THE EVENT**

ANVAKRIT 2.0

UNMASKING THE TRUTH IN Bytes

After the roaring success of its debut edition, Anvakrit 2.0 marks the thrilling return of the National Crime Scene Investigation Competition is now redesigned to be sharper, tougher and more demanding than ever before. This year's theme "Unmasking the Truth in Bytes," raises the bar with more intricate challenges that test analytical precision and presence of mind.

While Anvakrit 1.0 featured domain-specific challenges primarily at the undergraduate level, Anvakrit 2.0 brings every domain together in an integrated crime scene creating a realistic, high-pressure environment that mirrors the dynamic nature of real-world investigations. Participants at the postgraduate level will be challenged to prioritise investigation while preserving fragile evidence and then defend their investigative methods before a simulated court of law. Hence all participants rest assured shall experience an immersive blend of learning, creativity and hands-on exposure across multiple forensic and allied domains, fostering both curiosity and technical depth.

This sequel goes far beyond the basics introducing upgraded investigative dimensions. Each round has been carefully crafted to simulate authentic field conditions, where teamwork, logic, and speed become the keys to victory.

WHAT DOES ANVAKRIT 2.0 HAVE TO OFFER?

- Hands-on learning through engaging, real-world investigations and workshops.
- National-level recognition at an Institute of National Importance.
- Interdisciplinary exposure linking Science, Cyber, Commerce, Criminology and Law.
- Problem-solving & teamwork development under challenging conditions.
- Mentorship from experts across forensic and legal disciplines.
- Enhanced career value through applied forensic experience.
- Thrilling and fun environment that blends learning with excitement.
- Networking opportunities with like-minded peers, professionals, and experts.

In every sense, Anvakrit 2.0 is not just a competition but an immersive forensic experience, designed to challenge the intellect, test endurance and celebrate the art of uncovering truth through science.

UNRAVELING THE CHALLENGE: COMPETITION OVERVIEW

“In the world of forensics, complexity is not the exception, it is the rule.”

This year, the competition will be conducted in two parallel tracks:

CATEGORY I: ELEMENTARY “

Designed for students of Grades 11, 12, and Undergraduate programs, this track blends interactive puzzles, creative poster presentations, domain-specific workshops and hands-on CSI challenges. It emphasizes foundational learning, teamwork and creativity while providing exposure to real-world forensic practices. The competition will be a multidisciplinary blend of Science (Forensics), Management, Cyber, Law, Criminology (Forensic Psychology) and allied fields.

CATEGORY II: ADVANCED ”

Tailored for postgraduate, doctoral, and professional participants, this track raises the bar with multi-scene investigations, digital forensics, psychological evidence collection, mini-lab testing, chain of custody simulations, courtroom presentations. It demands advanced skills, sharper analysis and professional precision under pressure.

For **CATEGORY I**

**(UNDER-GRADUATE AND HIGHER
SECONDARY-LEVEL: GRADES 11 AND 12)**

DATES:

ONLINE: 26TH DECEMBER 2025 ONWARDS
OFFLINE: 11TH-13TH FEBRUARY 2026

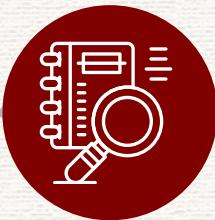

DISCLAIMER

*Competition will have surprise elements throughout the duration of the event starting right from registrations. The participants shall be tested regarding their awareness and vulnerability pertaining to the current trends of crime.

ANVAKRIT 2.0: BEYOND THE CRIME SCENE

**ROUND 1
CASE FILE
INVESTIGATION**

**ROUND 2
POSTER
PRESENTATION
OF FINDINGS**

**ROUND 3
ON-CAMPUS
CRIME SCENE**

ROUND 1: CASE FILE INVESTIGATION (ONLINE: 26th Dec' 25)

The journey begins with a case file, which will be given to them (online/offline) by the organising committee to test their investigative, critical thinking and deductive skills. The teams will have to respond to the questions about the case file and within the given time limit and will be scored accordingly.

ROUND 2: POSTER PRESENTATION (ONLINE: 29th Dec '25)

This is followed by an online poster presentation round, where they shall be presenting the findings of the case file and the methods used to come to those solutions hence blending creativity with forensic thinking. The participants shall be scored for the most creative posters portraying the accurate solutions to the questions asked. Thereafter this round, only the top teams, according to the cumulative scores of Rounds 1 & 2, shall be qualifying for the 3rd Offline Round.

ROUND 3: ON-CAMPUS CRIME SCENE (OFFLINE: 11th-13th Feb '26)

The top teams will advance to the offline round, on-campus, for domain-specific sessions conducted by experts and lab-visits of the state of the art facilities at NFSU Delhi Campus. Finally, participants will engage in an immersive crime scene investigation challenge that seamlessly integrates all domains, emphasizing observation, teamwork, and the practical application of interdisciplinary skills.

ANVAKRIT 2.0: BEYOND THE Crime Scene

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

REGISTRATION

- Registration will be on a first-come, first-serve basis, capped at 300 participants.
- Participants have to register in teams of 4 members.
- Registrations will take place for Category I participants *ONLY* through the 'Unstop' platform. The leader has to enter the details of all 4 members with a team name and make the payment for the whole team, to complete the registration. For further details, kindly visit the 'Registration' Tab at Anvakrit 2.0 Website at the link attached below: <https://anvakrit.vercel.app/>
- Registration fees: ₹1000/- per head (exclusive of GST, non refundable) and each member has to register individually - includes two meals, registration kits, workshops and expert lectures.
- Accommodation charges: ₹500 per day per person
- Last Date for registration: 15th December 2025
- Confirmation of participation will be sent by the Organizing Committee after verifying the process.
- Once registration is completed, no changes in names or team composition will be allowed.
- Failure to adhere to the procedure will be treated as withdrawal.
- Once registration is successful, any form of claims or refunds will NOT be entertained.

ELIGIBILITY

- Open to students of Grades 11, 12, and undergraduate (UG) programs across all streams.
- Participants must carry a valid institutional/school ID card during offline rounds.
- No prior forensic knowledge is required. Curiosity, creativity and teamwork will be key.

TEAM FORMATION

- Teams may consist of 4 members (self-formed).
- Teams will be evaluated on both individual contributions and collective performance.
- No reshuffling of teams will be permitted once finalized.

ANVAKRIT 2.0: BEYOND THE Crime Scene

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

EVALUATION & JUDGING

- Case File Investigation: Speed and accuracy in Round 1.
- Creativity & Communication: Quality of posters and presentation of the investigation process in Round 2.
- Final CSI Challenge: Observation, teamwork, documentation, and problem-solving skills.
- Expert Jury: The panel will comprise faculty members, industry professionals, and forensic experts.
- The decisions of the jury will be final and binding.
- Any requests for reconsideration or re-evaluation will NOT be entertained.

AWARDS & RECOGNITION

- Prizes for Top 3 teams from a pool of INR 1.2 lakh.
- All participants will receive a certificate of participation.

For
CATEGORY II
**(POST-GRADUATE, PHD AND
PROFESSIONALS)**

DATES: 11TH-13TH FEBRUARY 2026

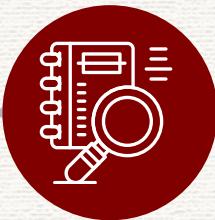

*Competition will have surprise elements throughout the duration of the event starting right from registrations. The participants shall be tested regarding their awareness and vulnerability pertaining to the current trends of crime.

ANVAKRIT 2.0: BEYOND THE CRIME SCENE

**ROUND 1
CASE FILE
INVESTIGATION**

**ROUND 2
ON-CAMPUS
CRIME SCENE**

**ROUND 3
MOCK COURTROOM
PRESENTATION**

ROUND 1: CASE FILE INVESTIGATION (OFFLINE: 11th-13th Feb '26)

The journey begins with a case file, which will be given to the teams offline by the organizing committee to test their investigative, critical thinking and deductive skills. The teams will have to respond accurately to the questions asked pertaining to the case file and within the given time limit and will be scored accordingly. Only the top teams, who responded correctly and on the first come first serve basis will qualify for Round 2.

ROUND 2: ON-CAMPUS CRIME SCENE (OFFLINE: 11th-13th Feb '26)

The top teams will advance to the second round, which will be a multi-layered, domain integrated immersive crime scene investigation competition. This will focus on criminological awareness, observation and deductive skills, teamwork and applied forensic skills.

ROUND 3: MOCK COURTROOM (OFFLINE: 11TH-13TH FEB '26)

The teams after finishing the crime scene investigation shall face the wrath of a 'live jury', in a courtroom, where they shall be presenting the findings and the process of collection of evidence for their crime scene as well as defending their answer about the crime scene in itself. This will test the legal knowledge and presence of mind among the participants.

ANVAKRIT 2.0: BEYOND THE Crime Scene

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

REGISTRATION

- Registration will be on a first-come, first-serve basis with a cap of 200 participants.
- Participants may register a team of 5 members or individually (groups shall be made by the Organizing Committee on-campus).
- The registrations for Category II participants will take place *ONLY* through a Google Form. Participants registering as a group shall require the leader to enter the details of all 5 members with a team name and attach the screenshot of the payment made for the whole team, to complete the registration. Individual participants may enter their details and make their payment accordingly. For further details, kindly visit the 'Registration' Tab at Anvakrit 2.0 Website at the link attached below: <https://anvakrit.vercel.app/>
- Registration fees: ₹2000/- per head (exclusive of GST, non refundable) and each member has to register individually - includes two meals, registration kits, workshops and expert lectures.
- Accommodation charges: ₹500 per day per person
- Last Date for registration: 15th December 2025
- Once registrations are completed, no changes in team names or roles will be permitted.
- No cancellation or refund will be entertained once the registration is confirmed.
- Any failure or non-adherence to the registration procedure may be treated as withdrawal, with no claims accepted thereafter.

ELIGIBILITY

- Open to postgraduate, doctoral students and other professional experts in the fields of criminology, forensic science, law, psychology, cyber/digital forensics and allied fields.
- Participants must carry a valid institutional ID card at the time of reporting.
- Minimum academic qualification (Post Graduate admission).

TEAM FORMATION

- For individual registrations, the participants will be grouped into teams of 5 by the organizing committee to ensure diversity and fairness.
- For group registrations, a group of 5 members has to be self-formed.
- No reshuffling or change of teams will be entertained after allotment.

ANVAKRIT 2.0: BEYOND THE Crime Scene

NATIONAL CRIME SCENE INVESTIGATION COMPETITION

EVALUATION & JUDGING

- Scoring will be conducted across multiple rounds, including Scene Security, Evidence Collection, Documentation, Forensic Testing, and Courtroom Presentation.
- The jury will comprise forensic experts, law enforcement professionals, and academicians, ensuring a balanced and comprehensive evaluation process.
- The assessment will consider both technical accuracy and practical application of knowledge demonstrated by the participants.
- The decisions of the judges will be final and binding on all participants, and no requests for re-evaluation will be entertained.

AWARDS & RECOGNITION

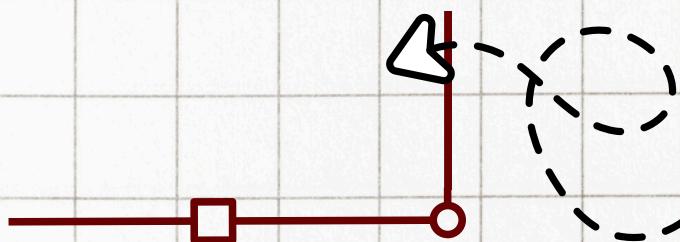

- Prizes for Top 3 teams from a pool of INR 1.2 lakh,
- All participants will receive a certificate of participation.
- Participants whose teams have been eliminated, may choose to volunteer for the rest of the duration of the competition and hence shall also receive 'Guest Volunteer' Certificates.

OPERATIONAL PROTOCOL (RULES) & CODE OF CONDUCT

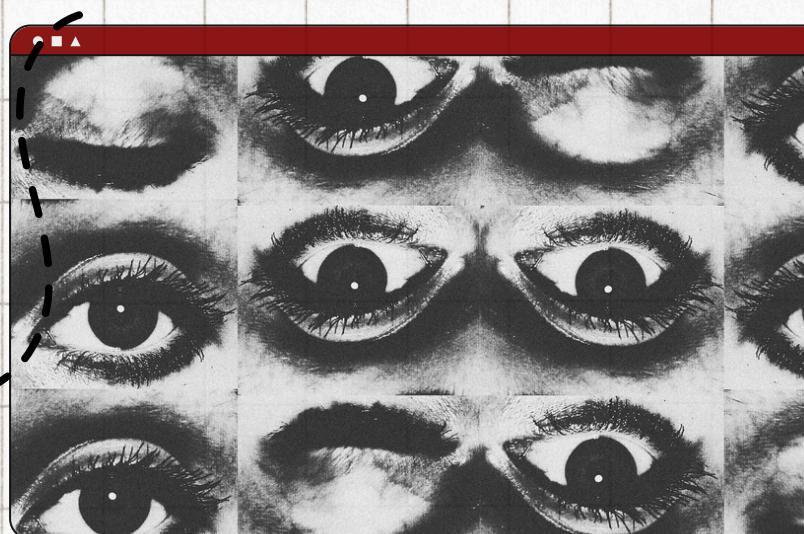

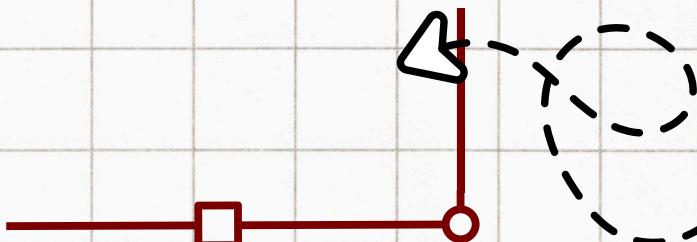

- Participants must strictly adhere to the instructions provided by the Organizing Committee at all times.
- Any form of malpractice, including but not limited to tampering with evidence, disturbing other teams, or using unauthorized tools, will result in immediate disqualification.
- Respectful behavior towards the jury, organizers, volunteers, and fellow participants is mandatory.
- Participants are expected to maintain discipline and decorum throughout the competition.
- A formal dress code is to be followed during all competition rounds and official sessions. Participants may wear Indian or Western formals. As the competition involves physical engagement and movement at the crime scene, participants are advised to wear comfortable formals that allow ease of activity.
- The Organizing Committee reserves the right to take appropriate action in case of any rule violation.

PARTICIPATION ESSENTIALS

- The Organizing Committee will provide essential materials such as gloves, masks, evidence collection kits, stationery, lab equipment, and legal documents if required.
- Each team must bring at least one laptop for digital documentation, analysis, and submission purposes.
- Participants must carry their institutional or school ID cards and personal stationery.
- Accommodation details, including fees, facilities, location, and check-in/check-out timings, will be shared after registration.
- Participants opting for accommodation must follow the prescribed rules and timings of the allocated premises.

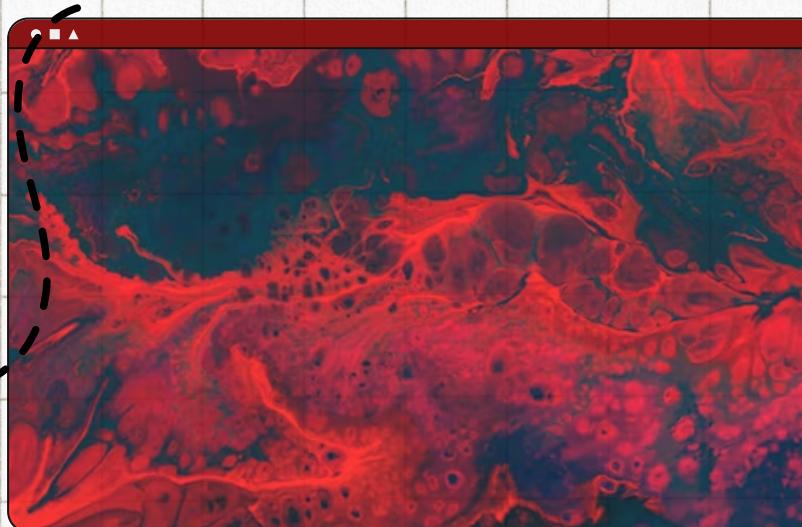

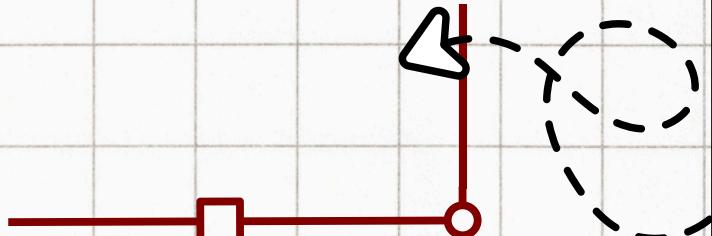

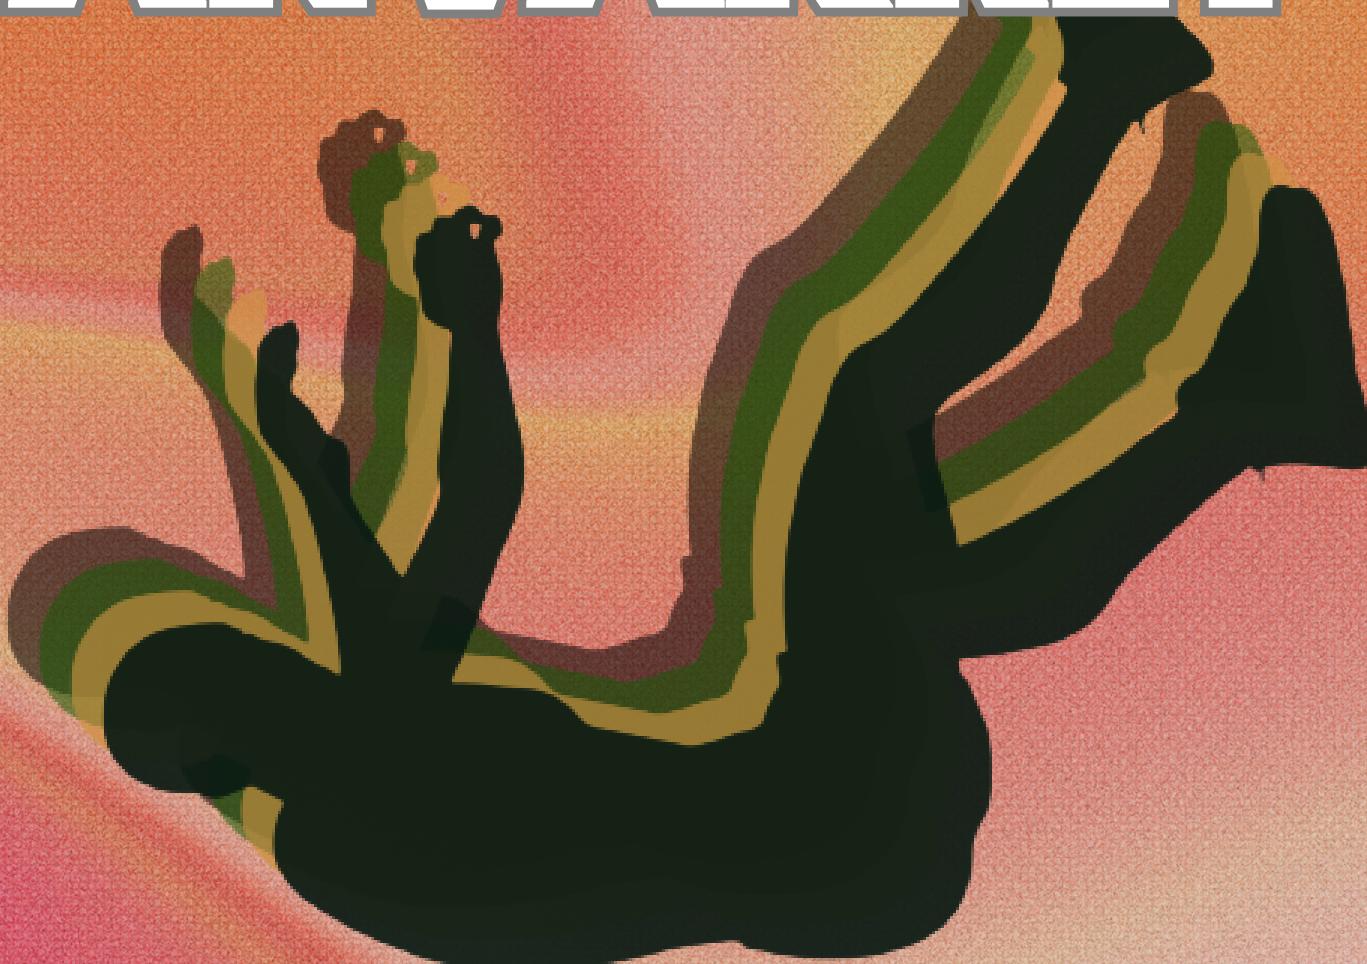

OBJECTIVES:

- To enhance understanding of crime scene management through traditional and modern techniques, emphasizing best practices and emerging innovations.
- To improve evidence handling by training participants in proper collection, preservation, and documentation to ensure integrity.
- To promote multidisciplinary collaboration among forensic experts, law enforcement, and legal professionals for more efficient investigations.
- To highlight emerging technologies such as digital forensics and 3D crime scene reconstruction.
- To emphasize legal and ethical aspects, including chain of custody, victims' rights, and evidence admissibility.
- To build teamwork and leadership through group activities that develop coordination, communication, and decision-making skills.
