Q7) In consideration to all evidences and reports given in the case file briefly explain HOW (timeline, modus operandi) and WHY (reason) the death took place?

4 marks to be awarded for the entire answer. 1 mark each for:

1- Roshni and Vivek's relationship: Pre-existing relationship between the victim, i.e., Vivek and the murderer Roshni, based on the suggestive pictures recovered from the deleted pictures recovered from the victim's device. Hence, Vivek was jealous of Roshni's current relationship with Dilip and wanted to blackmail his way into getting her back.

2- Vivek is blackmailing Roshni: Vivek has drafted the mail to Shashank Yadav, Dilip's Uncle and owner of Allevate Finance where all of the people are working, regarding Roshni's closeness with Dilip keeping an ulterior motive in mind for promotion in the company. Vivek confronting Roshni with that drafted email that he hasn't sent but was about to, as evident from the screenshot in his WhatsApp.

3- Roshni bought coolant: Roshni's transaction receipt mentioning Mukesh Automobile despite not owning any vehicle, with the exact amount spent which is equivalent to that of the price of a coolant. Coolant also called as Anti-Freeze, possesses Ethyl Glycol which is mentioned in the toxicology report as the murder weapon (poison).

4- Roshni poisoned his drink to protect her image: Roshni spiking the Vivek's drink, absinthe as seen on the image of him sipping a green drink and the corresponding Oak Lounge Bar tab of absinthe paid off using Roshni's credit card signifying her purchasing that drink for Vivek.

The evidences taken into consideration for extra marks if tie breaker situation arises:

- i. Anti-freeze bottle (special evidence shown in cyber cipher)
- ii. Text thread between Roshni and Vivek,
- iii. Roshni's transaction detail,
- iv. Oak Bar Lounge bill,
- v. drafted email incriminating Roshni,
- vi. Deleted images from Vivek's phone suggesting a relationship between Roshni and Vivek

TOTAL MARKS: 10 (1 mark for Q1-6, 4 marks - Q7)
